Documentation: ClesarMedia WordPress Theme

Theme Documentation · https://mhthemes.com/support/knb/documentation-clesarmedia/

Info: This theme is no longer supported and we're not planning to release any future updates for now.

MH Themes recently has taken over the ClesarMedia WordPress theme from the previous developers at Eightpixeldesign. We will soon review this theme, fix bugs, add improvements and further develop and maintain the theme. The theme documentation which you can find here is a screenshot from the previous Eightpixeldesign website. We will publish a brand new and refurbished documentation as soon as we've reviewed, inspected and improved the ClesarMedia WordPress theme.

Installing The Theme

Method 1 : Installing Themes With The Uploader

To install themes with the WordPress theme uploader:

- Download the **ClesarMedia-Premium-V1.*.*.zip** front the **Member Area**
    - Note: some browsers (eg. Safari) auto extract zip files automatically. Right click on the download link and select "Save Linked File As" will alow you to download as a zip file.
- Login to wp-admin
- Go to Appearance > Themes
- Click on the "Add New" button, then click on the "Upload Theme" button
- Upload the **ClesarMedia-Premium-V1.*.*.zip** file
- Activate the theme
