Posts List Widget

FAQ · https://mhthemes.com/support/knb/posts-list-widget/

How can I remove the post date from this widget?

Add this to your child theme style.css file:

.mh-posts-list-meta .mh-meta-date { display: none; }

How can I remove the comment count from the post list widget?

Add this to your child theme style.css file:

.mh-posts-list-meta .mh-meta-comments { display: none; }

I want to change the image alignment from left to right

Add this to your child theme style.css file:

.mh-posts-list-thumb { float: right; margin-left: 0; margin-right: 20px; }
